**Master Massan at international martial arts hall of fame in London
Where he received the master of the year 07 awards.**

Congratulations To All members: Master's Temple master instructor Massan Ghorbani was selected for the master of the year 2007 awards at the recent Annual International Martial Arts Hall of Fame, which was held in London on the 2nd of June. Massan was nominated by the 9th degree black belt grandmaster Jurge Zeigler from Switzerland and the president of the European Sin Moo Hapkido association. As you may know Master Massan is a head master instructor 8th degree black belt in the arts of Ultimate Kickboxing, Sin Moo Hapkido, Satory Do Martial Arts, and 6th degree black belt in Seishin Kai Karate. He is also a leading authority in Martial Arts weapons performance and mediation techniques, he is also internationally known and respected for his dynamic kicking abilities, his knowledge in various styles and his teaching skills.

The recognition came from the combination of master Massan's teaching and developing high standard students and also from many of his student's growing to become good instructor's and club owners nationally (Bray, Dublin x3, Waterford, Tramore, Galway, Mulingar) and internationally (England, Iran, Sweden, Finland, USA, South Africa and Dubai). This is a great achievement for Master Massan, Master's Temple and its entire member's.

Well done: to Trevor Kinlan, Julie Mc Hale and James Stuart who competed in the WAKO world cup last weekend where Julie won a bronze medal in the semi finals before meeting the current WAKO world champion from Hungary in her final fight on the day and Trevor competed with a great spirit as he went over to Italy with a foot injury from

his previous full contact fight (Trevor fought 3 tough rounds of full contact challenge against a very strong mix martial arts fighter in crumline boxing club prior to world cup where he won each and every round and he made all of us at Masters Temple and Ultimate kick boxing very proud) well done Trevor, also James performed really well in Italy.

Reminder: We would like to remind you that from 1st of June till the end of August we have an **attendance contest** for all children classes, there will be a draw for the best attendees of each class and 3 winners from each class will go to cinema with Master's Temple team and the winners of other classes at the end of each month free of charge. Also the **referral contest**; any students referring more friends or family members to the club will win a piece of martial arts equipment each month and the member with the highest number of referrals within the 3 months of June, July and August will win a special prize worth over 250 euro (I pod, play station, mountain bike etc).

“So get in to win”

Remember you are the **light and positive force** in your community and with all other negative activities which becomes more and more popular, specially among young people (drinking, smoking, drugs, obesity etc) you can help your friends and your family members by introducing them to positive places and healthy activities such as Master's Temple to train, to study, to keep fit and healthy and to look after their mind and their body even to become motivated leaders, you may even save lives in the long term, as one of the award winners, grandmaster of the year 2007 award winner from USA made a statement when he was receiving his trophy and said “I grew up in Harlem and if it wasn't for my martial arts I could be dead or in prison today”

“So be a leader and an active part of the positive force within the universe”

No Uniform No Training: From the first of July 2007 we will be enforcing the no uniform no training rule so please make sure you arrive with your full uniform and belt at

each session. Members arriving without appropriate uniform will only be allowed to sit and watch the training session, appropriate uniforms are listed below.

Karate Classes for juniors and seniors: full white uniform (Master's Temple t shirts are allowed for summer months with your karate bottoms and belt).

Kickboxing Classes for juniors and seniors: kickboxing bottoms and Master Temple's t-shirts only (no shorts or any other t-shirts will be allowed) national and international competitors will be allowed to wear other kickboxing t-shirts in the **advance classes at 9pm only**). We will strictly stop any one walking on the mats without appropriate uniforms (please wash your uniforms on the evenings you are not training!!!!!!!!!!!!!!).

Sin Moo Hapkido: Full white uniform or official sin moo hapkido gray uniform.

Weapons Classes: Any of the above uniforms in full.

From the 1st July 2007 “ No uniform No Training, even for you”

Late or Partial Payments: Also from the 1st of July 2007 no late payments or partial payments will be excepted as this causes hours of administrations to track down who is paid and who is not, who owes partially etc, throughout the whole month. Please pay on time as otherwise we will be left with no other choice than applying this rule “no payment no training” the above rule is not our favorite choice but some members paying cash still owe for weeks. (To avoid the above problem you can now join our Bank Standing Order payment option.

Grading: Please be informed that from now on 80% attendance between each grading is required to be qualify to grade for belts, we regret no one will be allowed to grade with

out fulfilling the above requirement unless there is special arrangements such as private classes or make up classes etc. There are make up classes for all junior classes and for adult kickboxing on Saturday afternoon and make up classes for sin moo Hapkido on Friday evening. Please feel free to use these facilities.
